   - During the First World War Germany's most fearsome weapon was the submarine or U-Boat.
   - The Germans adopted a strategy to starve Britain by sinking every ship it could.
   - The Q-ships were Britain's answer to the Germany.
   - Britain provoked the attack on Germany through these ships and then resorted to retaliation.

4. Highlight the sequence of events after America’s entry into the War.
   - America’s entry with its enormous resources made Allied victory a foregone conclusion.
   - The first to surrender was Bulgaria.
   - The Turks opted for an armistice.
   - Germany was now left with the impossible task of carrying on the struggle alone.

5. Analyse the impact of Russian Revolution on the world outside Russia.
   - The revolution fired people’s imagination across the world.
   - In many countries, communist parties were formed.
   - Soviet Union encouraged the colonies to fight for their freedom and gave all out support to them.
   - Debates over key issues, land reforms, social welfare, workers’ rights, gender equality started taking place in a global context.

6. Examine the causes and consequences of the 1905 Revolution in Russia.
   - Causes:
     - Nicholas encouraged Russian expansion in Manchuria, provoking a war with Japan in 1904.

Send Your Questions & Answer Keys to our email id - padasalai.net@gmail.com
M. VENKATESAN, M.A., M.PHIL., B.ED., PG ASST (HISTORY) GHSS AYAPPAKKAM.

- The resulting Russian defeat led to strikes and riots.
- Opposition to the Tsar grew.

**Consequences**

- Nicholas was forced to grant a constitution and establish a parliament, the Duma.
- The left-wing parties that formed a soviet of workers’ delegates in St Petersburg.

7. Highlight the successful accomplishments of League of Nations.

- A dispute arose between Sweden and Finland over the sovereignty of the Aaland Islands.
- The League ruled that the islands should go to Finland.
- The frontier between Poland and Germany in Upper Silesia, which was successfully resolved.
- Greece invaded Bulgaria, and the League ordered a ceasefire.

8. How did the impact of Great Depression reflect in politics?

- In England, the Labour Party was defeated in the general elections of 1931.
- In USA, the Republican Party was rejected by the people in successive elections for about twenty years after the Depression.
- The Fascist Parties seized government in Italy and Germany.
- Argentina, Brazil and Chile saw a change of government.

**LESSON - 14**

1 Why was Hitler keen on capturing Stalingrad? Point out how his plan turned out to be his “Waterloo”.

- Hitler thought Stalingrad would be a prize catch, as it was a large industrial city.
- He was also aiming for the rich oil fields of the Caucasus.
- In addition, seizing the city that bore the name of the Soviet leader Joseph Stalin would add further glory to the image of Hitler.
- It became clear that the German Army could not hold Stalingrad.
- Yet Hitler refused to allow a strategic withdrawal.

2 Allied bombing of Germany became a symbol of terror bombing campaign.

- The Allied bombing of Germany almost completely destroyed the German city of Dresden.
- The raids became a symbol of the “terror bombing” campaign against Germany.
- During this period, 600,000 German citizens were killed.
- Slowly, the German army was forced back.

3 What were the ambitions of Japan as an imperial power?

- The German approach was emulated in East Asia by Japan.

Send Your Questions & Answer Keys to our email id - padasalai.net@gmail.com
4 Bring out the significance of Huk Rebellion.
   - The Philippine Communist peasants were called Huk.
   - Huk areas were bombarded by government forces and, as a result, the huk resorted to guerrilla warfare.
   - At first they adopted it as a defensive posture.
   - The “Huk rebellion” had been crushed by the Philippine government, assisted by the U.S.

5 Highlight the important results of the Second World War.
   - Germany ceased to be a great power.
   - Europe lost its status and prestige.
   - The economy was in a shambles.
   - It was clear that the two dominating powers in the world were the United States and Soviet Russia.
   - The most significant outcome of the War was the transformation that had taken place in colonies.

6 Attempt an account of Boxer Rebellion in China.
   - The Boxers came from peasants, particularly from Shandong province.
   - The original aim of the Boxers was the destruction of the Manchu dynasty.
   - And also destruction of the Westerners who enjoyed a privileged position in China.
   - The Boxers burned churches and foreign residences.

7 Discuss the role of Kuomintang Party in China’s nationalist politics.
   - Sun Yat-sen founded a political party in Tokyo, which became the Kuomintang Party.
   - Sun Yat-sen, the inspirer of the organisation, wanted a republic china.
   - After the death of Sun Yat-sen, the Kuomintang did not adopt Communist policies.
   - The Kuomintang represented the interests of the landlords and capitalists.

8 Estimate the contribution of Sukarno to the independence of Indonesia.
   - Sukarno organised the Indonesian Nationalist Party.
   - This party in the country was supported by the westernised secular middle class.
   - In 1931 Sukarno was imprisoned and the party he founded was dissolved.
   - With Japan’s support, he got Indonesia’s independence by Eviction the Dutch.

1. Warsaw Pact was a response of the Soviet Union to the US controlled NATO. Explain.
   - When West Germany became a member of NATO, USSR decided to make a counter arrangement.
   - In May 1955, a “treaty of mutual friendship, co-operation and mutual assistance” was signed by Soviet Union and its European allies.
   - It was named as The Warsaw Pact, as the treaty was signed in Warsaw, the capital of Poland.
   - The treaty called upon member states to come to the defence of any member if it was attacked by an outside force.

2. Write about the different stages in the final adoption of UN Charter.
   - At Dumberton Oaks, representatives of China, the Soviet Union, the United States and the United Kingdom met and formulated proposals for a world organisation.
   - The Moscow declaration recognised the need for an international organisation to replace the League of Nations.
   - Decisions on the voting system in security council and a few other issues were raised in Yalta Conference.
   - After holding deliberations and negotiations at the San Francisco Conference, the Charter of the United Nations was finalised.

3. Trace the background of the formation of NATO.
   - Despite the friendship of the United States, Western European countries felt insecure.
   - Communist victory in Czechoslovakia added to their fears.
   - The Western European countries were now willing to consider a collective security solution.
   - In this context that the NATO organization was formed.

4. Give a brief account of Suez Canal Crisis.
   - In July 1956, the Egyptian president Gamal Abdel Nasser nationalised the Suez Canal.
   - Which was until then privately owned by the Anglo-French Suez Canal Corporation.
   - So the Israeli, French and British forces invaded the Sinai Peninsula.
   - UN forces expelled Israeli, British and French troops in march 1957.

5. Why SEATO was not so popular as NATO?
   - SEATO is seen as an Asian-Pacific version of NATO.
   - Interestingly only two south-east Asian countries, the Philippines and Thailand, had taken up membership.
   - The rest of the countries refused to be part of it.
   - SEATO only for consultation.
   - Leaving each individual nation to react individually to internal threats.

Send Your Questions & Answer Keys to our email id - padasalai.net@gmail.com
1. Highlight the measures adopted by the Government of India towards rural reconstruction.

- Integrated Rural Develop restructured as a programme to promote self-employment of the rural poor.
- This was to be achieved by giving at least 100 days of wage employment each year to adult members of every household.
- In the absence of agricultural services for three months every year, other jobs were provided.
- Accordingly, roads, canals, small irrigation works and construction work were provided in rural areas.
- No contractors are to be involved.
- One-third of the workers would be women.
- Men and women would be paid the same wage.
- Studies have been conducted to implement the systematic implementation of public welfare schemes.
- This has also reduced the migration of agricultural workers to urban areas.

2. Land reforms failed in their intended objectives. Explain why.

- Until 1972, there was a ceiling on the extent of land that a ‘landholder’ could own.
- After 1972, the unit was changed to a ‘family’.
- This meant that the landowners could claim that each member of the family owned a part of the land.
- Which would be much less than the prescribed limit under the ceiling.
- Deciding the extent of land under land ceiling was a complex exercise, since land was not of uniform quality.
- Distinctions had to be made between irrigated and unirrigated dry land, and single crop and double crop producing land.
- When tenancy reform laws were announced many landowners claimed to have taken back their land for ‘personal cultivation’.
- That tenants were only being employed as labour to work the land.
- Tenancy reform was bound to be ineffectual in the absence of a comprehensive and enforceable land ceiling programme.

3. Assess the educational progress made in independent India.

- Literacy levels have increased in India from 18.3% in 1951 to 74% in 2011.
- Female literacy still lags behind the male literacy rate at 65% as compared to 82% among men.
- There has been a great increase in the number of schools from the primary to senior high school.
- In 2014 - 15 there were 12.72 lakh primary and upper primary schools, 2.45 lakh secondary and higher secondary schools, 38,498 colleges in the country.
4. Assess the achievements of the first two Five-Year plans.
   - The First Plan (1951–56) focused on developing agriculture, especially increasing agricultural production.
   - The allocation for Agriculture and Irrigation accounted for 31% of the total outlay.
   - After this, the emphasis shifted to industry, and the share of agriculture in total outlay hovered between 20 and 24%.
   - The Second Plan (1956–61), stressed the development of heavy industry for achieving economic growth.
   - The share of industry in Plan outlay was only 6% in the First Plan, and increased to about 24% after the Second Plan.
   - The first two Plans had set fairly modest targets of growth at about 4%.
   - Which economists described as the “Hindu rate of growth”.
   - These growth rates were achieved, so that the first two Plans were considered to have been successful.

5. Examine the development of institutions of scientific research and technology after India’s independence.
   - The Tata Institute of Fundamental Research (TIFR) was set up in 1945 on the initiative of Homi J. Bhabha,
   - It was intended to promote research in mathematics and pure sciences.
   - The National Chemical Laboratory, Pune and the National Physics Laboratory, New Delhi were set up in India.
   - The Council of Scientific and Industrial Research (CSIR) is the umbrella organisation, under which most of the scientific research institutions function.
   - The CSIR also advances research in applied fields like machinery, drugs, planes etc.
   - The Atomic Energy Commission is the nodal agency for the development of nuclear science.
   - The Indian Council of Agricultural Research (ICAR) is the coordinating agency for the research in basic agriculture.
   - Indian Institutes of Technology (IITs) were set up as centres of excellence in different fields of engineering.
   - The first IIT was located in Kharagpur, followed by Delhi, Bombay, Kanpur and Madras.

Send Your Questions & Answer Keys to our email id - padasalai.net@gmail.com
1. Analyse the contributions of Florentines to Italian Renaissance.
   - Even in the thirteenth and fourteenth centuries Florence had produced Dante and Petrarch, the two great poets of the Italian language.
   - Dante’s Divine Comedy is a summation of medieval culture.
   - Its dominant theme is the salvation of mankind through reason and divine grace.
   - It abounds with many other themes such as human love, love of country, interest in natural phenomena.
   - Petrarch produced works both in Latin and Italian.
   - An early humanist, he is considered to be the father of Italian Renaissance literature.
   - Boccaccio, also a Florentine, produced Decameron, a collection of 100 stories.
   - Niccolò Machiavelli’s The Prince became famous because of its relevance as a political guide for the rulers.
   - In his view, the supreme obligation of the ruler was to maintain the power and safety of the country over which he ruled.

**Spain emerged as nation-states.**
   - Major parts of Spain like Aragon and Castile were under the control of the Moors.
   - Together King Ferdinand and Queen Isabella worked hard to drive away the Moors and unite Spain.
   - The king and queen took power in their hands and controlled the nobles by eliminating them from the royal councils. This made Spain to emerge as a nation-state.

**England emerged as nation-states.**
   - There was conflict between two royal houses in England namely the House of York and House of Lancaster for the throne.
   - In this civil war, Henry Tudor emerged victorious and he started a new line of monarchy in England.
   - He entered into matrimonial alliance with Elizabeth of York family. This made England to emerge as a nation-state.

**France emerged as nation-states.**
   - Burgundy and western parts of France was for long in English possession.
   - At the end of the hundred years war, Louis XI Burgundy returned, after he had driven the English out of the country.
   - Finally brought under control and Burgundy became part of France in about 1483. This made France to emerge as a nation-state.
3. Explain the initiatives of Portugal and Spain in the discovery of new sea routes to the East and point out why it is considered as an important event in the economic history of modern world.

- Portugal led the way first in exploration, discovering the Canaries, Madeira and the Azores.
- Sailors sent out by Prince Henry, the Navigator reached Guinea Coast of Africa.
- Later Bartholomew Diaz rounded the Cape of Good Hope.
- In 1492 Columbus came to a land of America.
- Vasco da Gama reached the island of Mozambique.
- Later, he reached part of India and opened avenues for direct trade.
- Cabral sailed to India, following the route of Vasco da Gama, and reached Kozhikode.
- These new maritime discoveries, led to the direct trade of Europeans to the countries of the East.

4. What are the causes of Protestant Reformation? How did Martin Luther organise the movement in Germany?

**Causes of Protestant Reformation**

- The practice of sale of indulgence, nepotism, and simony came under attack.
- Inexperienced youths were appointed to lucrative bishoprics.
- Clergymen received incomes from several churches but never appeared in any of them.
- The peasantry saw the Church as an oppressive landowner.

**Martin Luther organise the Protestant Reformation**

- After a visit to Rome Martin Luther became disgusted with the corruption and luxury of the Church.
- He wrote ninety-five complaints against the Roman Church known as ‘95 Theses’.
- He argued that Bible alone is supreme and not the Pope and Bishops.
- He believed that only two main rituals, namely, baptism and Holy Communion are accepted by the Bible. In this way the Protestant revolt began.

**Causes:**

- The UK imposed its US settlements on the Navigation Acts, the Sugar Tax Stamp Act, the Townshend Act, the tea tax, and The Intolerable Acts.
- So representatives of the colonies appealed for the intolerated laws to be removed.
- They sent a request to the King of England, George III, with an olive branch. But the demand was rejected.

Send Your Questions & Answer Keys to our email id - padasalai.net@gmail.com
Course:
- The British army was led by William Howe while the American forces were led by George Washington.
- The Battle of Saratoga, the British General Burgoyne was forced to surrender.
- Finally, the British forces surrendered to the American forces at York Town.

Results:
- In England Lord North resigned as Prime Minister.
- A peace treaty was signed between the Great Britain and America at Paris.
- George Washington became the first president of the United States of America.

2. Sketch the course of French Revolution from the storming of Bastille to the execution of Robespierre.
- The National Assembly abolished feudalism in the country.
- In 1789 the Declaration of the Rights of Man and the Citizen was adopted.
- In 1791, the National Assembly drafted the constitution by which the powers of the king were limited.
- People started forming political clubs to discuss the problems they faced.
- One such club which attained popularity was the Jacobin Club in Paris.
- on 2 September 1792, the mob descended on the prisons and summarily executed those they believed to be royalists.
- In 1792 the new Convention abolished monarchy and declared France a republic.
- King Louis XVI was brought before the People’s tribunal and executed by guillotine on 21 January 1793.
- As the government and the base of society were radicalised, so the Jacobian group leader Robasespierre also hanged.

3. American Revolution and French Revolution inspired the revolution in Haiti.

Substantiate.
- Haiti, earlier known as Saint-Domingue was the richest French colony in the Caribbean Sea.
- The storming of the Bastille was followed by armed defiance of the royal governor.
- Vincent Ogé, who had lobbied with the Parisian assembly for colonial reforms.
- He was led to revolt at the end of 1790. But the rebellion was suppressed and he was hanged.
- In the late 1790s, Toussaint L’Ouverture, gained control of several areas.
- Napoleon sent a fleet of 12,000 troops to seize control from Toussaint L’Ouverture’s forces.
- Napoleons forces were defeated by the Dessalines, even though Toussaint was killed.
- Saint Domingue became the independent black state of Haiti in 1804.
4. Why did Industrial revolution start in England first? What impact did it make on modern society?

**Causes of Industrial Revolution in England:**
- Provided the capital necessary for investment in industries.
- Political stability also provided objective conditions for industrial development.
- The availability of coal and iron deposits in large quantities.
- The British had well established ports all across the coast which enabled easy internal and external trade.

**Impact of Industrial Revolution:**
- The mechanisation of industry resulted in much greater production and therefore it produced greater wealth.
- The handicrafts and rendered tens of thousands of artisans and weavers jobless.
- Men's were thrown out of employment by the cheap labour of women and children.
- An important outcome of the Industrial Revolution was the creation of two new classes: an industrial bourgeoisie and a proletariat.

LESSON - 12

1. Identify the important collectivist thinkers of nineteenth century and highlight their contributions to Socialism.
   - Étienne-Gabriel Morally, the Utopian thinker, proposed a communistic organisation of society.
   - The term “Utopian Socialism” was first used by Karl Marx and Friedrich Engels.
   - Utopian Socialists recommended the establishment of model communities.
   - Saint-Simon suggested that scientists take the place of priests in the social order.
   - Fourier believed that social conditions were the primary cause of human misery.
   - Robert Owen had developed a theory of Utopian Socialism based on social equality and cooperation.
   - Proudhon wanted to replace nation-state with federations of autonomous communes.
   - Louis Blanc argued that socialism cannot be achieved without state power.

2. Discuss the political fallout of French Revolutions of 1848 in other parts of Europe.
   - Metternich, the arbiter of Europe and enemy of nationality, was forced to leave Vienna in disguise.
   - Hungary and Bohemia both claimed national independence.
   - Milan expelled the Austrians.
   - Venice became an independent republic.
   - Charles Albert, King of Sardinia, declared war against Austria.
   - Absolutism seemed dead for a while. But it was not to be.
   - By the summer, the monarchs had begun their attacks on the revolutionaries.

Send Your Questions & Answer Keys to our email id - padasalai.net@gmail.com
3. How was the unification of Italy achieved?
   - The Napoleonic rule, for the first time, provided Italy with a sense of unity through uniform administration.
   - The several secret societies such as the like the Corporanari, who were insisting on free and patriotic ideas, became more spread.
   - Mazzini, Cavour, and Garibaldi were the three central figures of the unification of Italy.
   - Parma, Modena and Tuscany were merged with the Kingdom of Piedmont-Sardinia through plebiscites.
   - Plebiscites held in Sicily, Naples and Papal States led to their merger with Piedmont-Sardinia.
   - At the end of the war with Austria, Italy acquired Lombardy under the Zurich pact.
   - During the Austro-Prussian War in 1866, Italy had allied itself with Prussia and was rewarded with Venetia.
   - In 1871, Italy took advantage of the Franco-Prussian War to annex Rome as the French forces withdrew.

4. Why is Bismarck considered the true architect of a unified Germany?
   - Bismarck, transformed it into a powerful state with the objective of uniting the Germanic states under its leadership.
   - He adopted a ‘blood and iron’ policy to achieve the unification.
   - He realised that the unification of Germany was not possible without an armed conflict with Austria and France.
   - He sparked conflict with Austria and France through diplomatic moves.
   - He also got the support of Piedmont-Sardinia which wanted to drive Austria out of Venetia.
   - With the victory of the Austrian-Prussian War, he formed the Northern German Federation under the leadership of Prussia.
   - Bismarck his attention to create a rift between Prussia and France to unite the southern German states.
   - At the end of the Franck-Prussian War, Germany combined the unification of Northern and southern Germany.

LESSON - 13

1. Enumerate the causes and the consequences of the First World War.
   **Causes:**
   - The great powers of Europe had come to be arrayed in two opposing camps.
   - They are called the Triple Alliance (Germany, Austria-Hungary and Italy) and the Triple Entente (Britain, France and Russia).

Send Your Questions & Answer Keys to our email id - padasalai.net@gmail.com
3. The Treaty of Versailles was harsh and humiliating for Germany. Substantiate the statement.

- Germany handed over Alsace and Lorraine to France.
- The coal mines in the Saar Valley were to be ceded to France.
- All German colonies became mandated territories under the League of Nations.
- Germany was disarmed and was forced to give up practically all of its submarines and battleships.
- Germany was forbidden to have any airplanes, either military or naval.
- Its army was to be limited to 100,000.
- The union of Austria and Germany was forbidden.

**Results:**

- The peace treaty was signed with Germany in the Hall of Mirrors at Versailles.
- Separate treaties were drawn up and signed by the Allies with Austria, Hungary, Bulgaria, and Turkey.
- The League of Nations was formed for world peace.

2. “Marx supplied sparks and Lenin lit the fire”- Elucidate.

- Marx and Engels held the firm view that the existence of the bourgeoisie was as necessary.
- Influenced by the ideas of Karl Marx, Lenin believed that the way for freedom was through mass action.
- The failure of the Tsar’s regime, the defeat by Japan, the Sunday massacre, and the defeat of the First World War, led to the revolution in Russia.
- The Menshevik government was established in Russia through the revolution. Lenin schemed to overthrow it.
- His slogan of ‘All power to the Soviets’ soon won over the workers’ leaders.
- The slogan ‘Bread, peace and land’ attracted the victims of the war.
- Devastated by war time shortages, the people were attracted by the slogan of ‘Bread, Peace and Land.’
- Lenin persuaded the Bolshevik Central Committee to decide on an immediate revolution.
- Accordingly, key government buildings, including the Winter Palace and the Prime Minister’s headquarters, were seized.

M.VENKATESAN. M.A., M.PHIL., B.ED., PG ASST (HISTORY) GHSS AYAPPKKAM.
The seeds for the Second World War were sowed in the treaty of Versailles. Discuss with reasons.

The terms imposed upon Germany at the end of First World War were harsh.
- Stripped off its colonies, the size of the German army was drastically reduced.
- Germany was forced to cede Alsace and Lorraine to France.
- Germany agreed to the temporary occupation by French troops of the Saar valley.
- Germany was also compelled to hand over to Poland large parts of the industrial area of Silesia.
- Further Germany was to pay an impossible sum in reparation.
- Austria was not allowed to unite with Germany.
- Such bad features later led to the political success of the Nazi Party in Germany.

4. Describe the circumstances that favoured Mussolini and Hitler to establish fascist governments in Italy and Germany respectively.

Circumstances for the establishment of a fascist state in Italy:
- The breakdown of the parliamentary government which had proved unable to cope with the disorders following the end of the First World War.
- The inability of the Democratic Party leaders to combine and act decisively facilitated Mussolini’s triumph.
- The dispute between the communist and their opponents led to the conditions for civil war.
- It ended with the march of the Fascists on Rome.
- Impressed by the show of force, the King Immanuel III invited Mussolini to form a government.

Circumstances for the establishment of a fascist state in Germany:
- Republican government in Germany fell, as the Communists refused to collaborate with the Social Democrats.
- In the wake of this, industrialists, bankers and the people of the royal family, who had the background, wanted to subordinate Hitler to their control.
- They approached President von Hindenburg and appointed Hitler as Prime Minister.
- The Nazi regime then put an end to parliamentary democracy in Germany.
2 Examine to what extent Germany and Hitler were responsible for the outbreak of Second World War.

- According to the Treaty of Versailles, in 1935, Hitler held a general referendum in the SAR area and annexed it with Germany.
- In 1936 Hitler flouted the Treaty of Versailles by sending troops to occupy Rhineland.
- The Nazi state was established in Austria by the pressure of Hitler.
- Then the German forces entered Vienna and began to establish control over the country.
- Before the referendum was held in the Sudetenland, Hitler occupied it with his army.
- In the Munich conference, the Prime ministers of Britain, France, Germany and Italy issued the approval.
- Using the conflict in Czechoslovakia, Hitler sent German forces to occupy the conflict zone.
- Hitler, who was aiming to occupy the whole of Europe, on September 1, 1939, the attack on Poland was held.
- The reason for the Second World War was the rejection of Britain's ultimatum to leave Germany in Poland.

3 Describe Mao Tse Tung's contribution to the establishment of Communist government in China.

- In 1918 a Society for the Study of Marxism was formed in Peking University.
- Among the students who attended was a young assistant librarian by the name of Mao Tse-tung.
- In China, Kuomintang government became notorious for its corruption and gangsterism.
- Mao knew that the Kuomintang grip on the towns was too strong. So he concentrated his energies on organizing the peasantry.
- He retreated into the wild mountains on the border between the provinces of Kiangsi and Hunan.
- Later, Mao wanted to move out of Hunan for safer territory.
- Therefore, the Communist army set out on what came to be known as the Long March in 1934.
- As a result of the Long March, Mao became the ruler of the people in China.

4 Make a comparative analysis of common and varying features in the liberation struggles of Indonesia and Philippines.

**Common features:**

- Both countries were a colony of European countries.
- In both countries, the communists gave voice against to the domination of colonialism.
- During World War II, both countries were under Japanese occupation.
- Both countries got independence, after the second War.
1. Highlight the goals and objectives of the Non-Aligned Movement.

- Respect for the sovereignty and territorial integrity of all nations.
- Recognition of the equality among all races and of the equality among all nations.
- Non-intervention or non-interference in the internal affairs of another country.
- Non-use of collective defence pacts to benefit the specific interests of any of the great powers.
- Non-use of pressures by any country against other countries.
- Settlement of all international disputes by peaceful means.
- Promotion of mutual interest and cooperation.
- Respect for justice and international obligations.

2. Discuss the origin of Arab-Israeli conflict and show how subsequent developments caused a major war between the two in 1967.

- As the United Nations voted to partition Palestine into a Jewish state and an Arab state in November 1947.
- So conflict broke out almost immediately between Jews and Arabs in Palestine.
- On the eve of the British forces’ withdrawal, Israel declared independence.
- From the start, when Israel was created, there was little involvement of the UN in making political decisions.
- By 1966 the U.S. provided began to Israel with advanced planes and missiles.
- In April 1967 there were artillery exchanges between Israel and Syria.
- The U.S. Sixth Fleet remained off the Syrian coast.
- Egypt closed the Straits of Tiran to Israeli shipping. In early June Israel attacked Egypt.
3. In disputes involving the permanent members of the Security Council, the UNO was a mute spectator. Elucidate this statement from the cold war period experiences.

- On 5 November 1956, British and French troops landed at the Egyptian town of Port Said.
- The General Assembly, at the initiative of the US, called for an emergency session and condemned the invasion.
- So Israel, Great Britain and France stopped fighting and decided to withdraw their forces from Egypt.
- ImriNegi introduced a multiparty system and established a coalition in Hungary.
- Enraged by the development, Soviet Russia sent its army into Hungary and crushed the rebellion.
- The UN has repeatedly tried to hold the International Peace Conference in its support to resolve the Israeli-Palestinian conflict completely.
- On the above issues, the Security Council's permanent states have used their veto power and extend the issue.
- Moreover, the UN was a silent observer, as the permanent members of the Security Council were involved in the issues.

4. Sketch the political career of Boris Yeltsin, focusing on his role in the collapse of Soviet Union.

- Boris Yeltsin, joining the Communist Party in 1961, later he became a full-time worker in the party.
- He emerged as a popular figure and began to occupy in key positions in the Party.
- He chose to eliminate corruption in the Moscow party organisation.
- In 1986 Yeltsin was elevated to the Politburo.
- Soon he was made the mayor of Moscow.
- Yeltsin antagonised Gorbachev when he began criticising the slow pace of reform at party meetings.
- He advocated democratic governance and economic reforms.
- He succeeded in winning a seat in the USSR Congress of People’s Deputies.
- The Soviet parliament elected him president of the Russian republic against Gorbachev’s wishes.
- He became the first popularly elected leader in 1991, after the collapse of Soviet Union.
